### **SEMINAR ON EROSION & SEDIMENT CONTROL: CONSTRUCTION & INSPECTION SEQUENCE**

As part of a Continuing Seminar Series by the Department of Planning & Growth Management, a seminar on ***Erosion & Sediment Control: Construction & Inspection Sequence*** is scheduled for March 31, 2011 at 9:00 a.m. The seminar will be conducted in the Commissioners' Meeting Room, located on the first floor of the Charles County Government Building in La Plata, Maryland.

The focus of the seminar will be on the installation of the erosion & sediment control devices, adherence to the approved construction sequence as well as inspection requirements. In addition, there will be discussion on frequent issues that arise in the field during the installation/maintenance of these practices. This seminar should be of special interest to contractors, developers, and engineers in the county but not limited to those individuals.

"Those citizens with special needs, please contact Melanie Myles, Charles County Department of Planning and Growth Management; Division of Codes, Permits & Inspection Services, voice phone number @ (301) 645-0618 or Maryland Relay Service TDD 1-800-735-2258."
